Letter from Childers; "These moves had better appear, particularly since the other set was mailed in plenty of time."

Message to Childers; I have lost count of the many times that your moves would arrive on the last day of the deadline. You have been so lucky so far and I can't see why you always wait to almost the last day to send or-call in your moves.

FACTS about your last move transmittal:

Your moves were sent for first class PM of the 20th.(By the way so were Dave Mayhew's moves). The deadline was the 22nd. Your moves were received on Saturday the 24th.(Two days late!) You are nuts if you call one day of mail delivery "plenty of time".
